

## The Islands of Light Collection

The possibilities are almost endless. The Islands of Light Collection consists of A19's impressive unfinished bisque wall sconces, pendants, and corner sconces. The bold design and clean lines in a wide array of shapes and sizes, combined with so many finishing options, means you're sure to find the perfect combination.

Our ceramic fixtures are remarkably versatile. The unfinished, creamy white bisque surface is beautiful just as it is. Ceramic bisque looks natural and appropriate against most wall surfaces. You may just want to keep them that way—as a handsome white accent. But your choices don't stop there. You can also paint directly on the unfired ceramic bisque—the lightly porous surface accepts any wall paint, so you can match these fixtures exactly to your wall color.

A19 also offers a wide array of painted, glazed, and faux finishes. Do you want the look of corroded copper but not the deterioration that goes with the real thing? Do you want a pendant fixture with the appearance of marble, but not the weight (or expense)? We have more than 50 options for you to choose from. You can also incorporate custom cut-out designs to your own specifications.

Most our lighting fixtures include standard incandescent, Energy Star® fluorescent, and halogen options. All fixtures are UL listed as suitable for damp locations.

Like all A19 products, the Islands of Light fixtures are completely made in America. Each piece is designed, molded, fired, sanded, finished, assembled, and shipped from our factory in Ontario, California. It's important to us to be genuinely "green" in our processes and practices.

## Customize Your Choice

The fixtures in the Islands of Light Collection are made to be customized. Paint them yourself to match, coordinate, or contrast with your décor. Or choose from among our more than 50 paint colors, glazes, and faux finishes, and let us do the work for you.

We are pleased to be able to customize our wall sconces and pendants to suit the specific needs of your location. To order, simply choose the item number for the style you prefer, followed by the lamping option, and color code if you'd like us to finish the fixture.

For example, to order the Tenos Wall Sconce for use in a wet location (outdoors, where rain will fall directly on it), in a popular Buckskin Leather faux finish, just write: 203-WET-L3.

Give us a call at (800) 664-4204 and let us create a customized style just for your location.

### ADA Compliance

Fixtures with a depth of 4" or less meet the handicap projection requirements set forth by the American Disabilities Act (ADA).

### Damp or Wet?

A19 considers any location, indoors or out, to be a "damp" location—as long as the fixture is not in direct contact with water. Outdoors under an eave, for instance, would be "damp."

"Wet" means the fixture could be in direct contact with water. For instance, on a patio where rain could fall directly on the fixture. Wet locations require different, larger sockets, so Wet options are not available on some fixtures.

## Wall Sconces

The Islands of Light Collection wall sconces use the following Lamping Options (except where noted). Not all wall sconce styles can be used in wet locations or with a diffuser.

Lamping Options	Standard Size	"Gran" Size	"Great" Size
Standard	1-100W A19 Medium Base	2-100W A19 Medium Base	2-100W A19 Medium Base
Fluorescent/ Energy Star	1-13W CFL	2-13W CFL	2-12W CFL
Halogen	Use medium base halogen lamps in standard socket	Use 2 medium base halogen lamps in standard socket	Use 2 medium base halogen lamps in standard socket
Outdoor/WET	N/A		
<b>Diffuser Option</b>	1-60W Candelabra Base	2-60W Candelabra Base	2-60W Candelabra Base

### Aegina

Like a classic bowl, Aegina is a marvel of simplicity. This sconce provides primarily up-light, with just a little down-light at the bottom. This wall sconce comes in four sizes, in unfinished bisque, and can be customized to your needs. The Aegina Wall Sconce family includes:

Item No.	Name	Dimensions
303	Aegina Wall Sconce	10 1/4" w x 4 1/4" h x 5 1/4" d
304	Gran Aegina Wall Sconce	13 1/2" w x 6" h x 6 3/4" d
304ADA	Gran Aegina ADA Wall Sconce	13 1/2" w x 6" h x 4" d
310	Great Aegina Wall Sconce	24" w x 12 1/4" h x 11 3/4" d
<b>Coordinates With</b>	Aegina Corner Sconce Thera Pendant	

### Andros

A simple cylinder with a closed top, Andros is shaped like a can light, but so much better looking. Casting a lovely down-light, Andros can be used anywhere, indoors or out, easily converting to wet locations. Finish options are limited only by your imagination.

Item No.	Name	Dimensions
201	Andros Wall Sconce	5 1/4" w x 9 3/4" h x 4" d ADA
202	Gran Andros Wall Sconce	7 3/4" w x 13" h x 6 1/4" d
202ADA	Gran Andros ADA Wall Sconce	7 3/4" w x 13" h x 4" d ADA
217	Great Andros Wall Sconce	11 1/4" w x 19" h x 7" d
<b>Coordinates With</b>	Tenos Corner Sconce Andros Pendant	

### Antigua

Like a classic urn from ancient times, Antigua looks beautiful in unfinished bisque. This style can be finished to match your décor or with any of our paints, glazes, and faux finishes. The Antigua style is open at the larger end and can be used in up-light and down-light positions.

Item No.	Name	Dimensions
1501	Antigua Wall Sconce	6" w x 9 3/4" h x 4" d ADA
1501D	Antigua Downlight	
<b>Outdoor/WET</b>	N/A	

<b>Diffuser Option</b>	N/A	
<b>Coordinates With</b>	Antigua Pendant	

## Aruba

A classic urn form open at top and bottom for both up- and down-light. In unfinished bisque, Aruba can stand out or blend in, depending on your choice of finish. Perfect for a home or commercial setting.

Item No.	Name	Dimensions
1502	Aruba Wall Sconce	6" w x 9 3/4" h x 4" d ADA
<b>Outdoor/WET</b>	N/A	
<b>Diffuser Option</b>	N/A	
<b>Coordinates With</b>	Antigua Pendant	

## Atlantis

There's something of the ocean in this fixture, like the lost city of Atlantis itself. Its clean lines and dramatic curves make it perfect for either contemporary or traditional décor. Like all Island of Light collection fixtures, this wall sconce can be finished to suit.

Item No.	Name	Dimensions
401	Atlantis Wall Sconce	15" w x 7" h x 7 1/4" d
<b>Outdoor/WET</b>	N/A	
<b>Diffuser Option</b>	N/A	

## Balboa

Stylish yet reserved, the Balboa family works just about anywhere. This rectangular wall sconce with gently curving sides and corners can be used in either the up- or down-light position. Customize with one of our painted or faux finishes, or leave it bright, unfinished bisque.

Item No.	Name	Dimensions
1301	Balboa Wall Sconce	7 3/4" w x 5" h x 3 3/4" d ADA
1301D	Balboa Downlight	7 3/4" w x 5" h x 3 3/4" d ADA
1302	Gran Balboa Wall Sconce	11 1/2" w x 5" h x 3 3/4" d ADA
1302D	Gran Balboa Downlight	11 1/2" w x 5" h x 3 3/4" d ADA
<b>Outdoor/WET</b>	N/A	
<b>Diffuser Option</b>	N/A	

## Barbados

Like a basket of light, Barbados has a long, elegant shape, with rings of little circular openings banding both ends. Barbados is open at top and bottom, and creates a wonderful ambience. Natural unfired bisque, or your choice of paint or faux finish. Coordinate your look by adding a Grenada Pendant.

Item No.	Name	Dimensions
1504	Barbados Wall Sconce	6" w x 9 3/4" h x 4" d ADA
<b>Outdoor/WET</b>	N/A	
<b>Diffuser Option</b>	N/A	
<b>Coordinates With</b>	Grenada Pendant
