

## **Muriel [Last name]**

*Whether for a business or an individual, Muriel has the ability to listen, to understand the fine detail of any tax issue, and to develop creative and practical solutions quickly and efficiently.*

Muriel [last name] has the expertise, the experience and the exceptional knowledge to help her clients with even the most complex tax issues. Muriel is co-director of the tax service group of Nathan Wechsler & Company, P.A. She joined [company] in 1980 upon graduating from college and has been with the company ever since. In 1989 she became a shareholder/director of the company.

Muriel provides a wide range of tax services, including strategic tax planning for businesses and individuals with a high net worth; complex corporate and partnership transactions; mergers, sales and acquisitions for businesses; and tax-free exchanges. The high quality of her work has been recognized by her successful 100-page private letter ruling request to the Internal Revenue Service (published in the federal register) and in her claims requests requiring approval from the Congressional Joint Committee on Taxation approval, resulting in significant tax savings for her clients.
